

Porto City and Douro Off The Beaten Track

Portugal

4 days / 3 nights

Private

On this immersive break in Porto you will get under the skin of this wonderful city and also have a chance to venture into the Douro region, a site for wine production for over 2000 years, with centuries-old wine-making traditions. It is a UNESCO Heritage Site, and this is your chance to experience incredible culture, cuisine and the region that produces some of the best wine on earth.

Experience Highlights

- Find out what makes Porto tick and discover local cuisine with a local guide on a food tasting tour
- Take the train out to the stunning Douro Valley for a wine tasting session
- Explore the hidden gems of the city thanks to the insider knowledge of your local hosts

What's included

- All transfers throughout the journey
- Accommodation for 3 nights including breakfast
- Guided tour of Porto city with your local host
- Lunch & wine tasting in Douro Valley on day 2
